

# Acknowledgments and copyright notices

MediaRecorder is a product of Noldus bv. However, MediaRecorder would not be what it is without the use of third-party software. This page lists software libraries and other software products used in MediaRecorder and links to license and compliance information and/or acknowledgments thereof.

For the complete Terms and Conditions in PDF format, see the PDF files in the folder Documentation\Legal\ **Acknowledgments**, located in your application folder (default: C:\Program Files\Noldus\MediaRecorder 6).

| Name                          | Description  | Link/ License   |
