

Reclaim the role of annotator

aim

To claim back the role of annotator that you gave to another user, for instance, a colleague or one of your students.

prerequisites

- Your license includes the Annotation Module.
- You created the session or you received session ownership or you are a Technician or Administrator.

procedure

1. Open the **Sessions** tab to view the list of all the sessions.
2. Right-click the appropriate session and select **Change annotator**.
The screenshot shows a dialog box titled 'Change annotator' with a text input field and an 'OK' button. The text 'Image not found or type unknown' is visible above the input field.
3. Select your name and click **OK**.
